SAILING

Middle Harbour Yacht Club's year-round Sailing Program provides for a wide range of interests, from weekend racing on the spectacular Sydney Harbour to social twilight sailing to cruising the NSW coastline.

THURSDAY TWILIGHT RACING

Thursday Twilight Racing is a fantastic weekly event for racing and socialising on water and back at the Club with post-race entertainment and dinner. The races are conducted throughout summer, during daylight saving hours, and with Clubhouse pursuit handicap starts and sunset finishes, it allows all competitors the opportunity to win weekly prizes in their division. Nothing beats the atmosphere and enjoyment of MHYC Twilight Racing, so come down and bring your family, friends or work colleagues and try your hand at sailing on Sydney Harbour. New crew members and casual yacht entries are always welcome.

WEDNESDAY RACING

Held year-round, be sure you're on deck for a great afternoon of racing on Sydney Harbour. This Non-Spinnaker race takes you on a journey around some of the major attractions of Sydney Harbour, whilst competing against fellow entrants. If you have flexibility in your schedule, these races are for you. Meet guests for an early lunch on the shore of Middle Harbour or an afternoon of networking with your colleagues or competitors. New crew members and casual yacht entries are always welcome.

CRUISING DIVISION

Our cruising division are for those looking for a more leisurely boating life. With short cruises and raft-ups each month, on water safety training days, monthly meetings with expert speakers and a monthly cruising magazine **The Compass Rose** with news and tips, the MHYC Cruising Division.

DISCOVER SAILING

Learn to Sail programs run at the club throughout the year. The youth and adult courses are delivered by Accredited Instructors using the Australian Sailing approved curriculum.

SATURDAY SERIES

Be a part of Sydney's premier Inshore Racing program, with a variety of racing formats and a number of divisions to compete in throughout the year. The One Design classes and mixed keelboat fleets in Spinnaker and Non-Spinnaker divisions all welcome new yachts and crew of all levels to join them for a fantastic day of racing and competition.

OFFSHORE RACING

The MHYC Ocean Pointscore Series and Gillawa Shield gives those yachts and crew members the opportunity and thrill of competing offshore, from outside Sydney Heads to racing the East Coast of Australia. Club members have a strong history of achievement in all the major offshore races.
