## Information for Competitors in Thursday Twilight Series

We are looking forward to a great summer of Twilight Sailing at MHYC. Before you set out on the water, here is some important information:

- **Sailing Instructions**

The [Flagstaff Marine Twilight Non-Spinnaker Series Sailing Instructions](#) have been amended from last year. Importantly:

- Starts and finishes will be on the water in Hunters Bay or The Sound.
- All courses have been updated.
- To minimise congestion on VHF 72, the Thursday Twilight Sailing Instruction 6.3 has been amended by the [Notice to Competitors 2023-09-27-1](#). Boats shall not announce their intention to race and / or crew POB via VHF Channel 72 but are encouraged to make themselves visible to the race management team prior to their start time while keeping clear of the starting line and boats which are starting.

- **Crew Registration**

Each yacht is required to confirm the number of persons on board (POB) prior to participating in any MHYC race sailed under Cat 7. This can be by completing crew registration via SailSys or completing the POB register online prior to the boat's start time. Use the QR code here to register POB.
