### Sailors

- Give your best at all times.

# VOLUNTEERS WANTED!

MHYC is always seeking new volunteers to assist with our busy sailing program for keelboats and centreboard classes. There are a variety of roles afloat and ashore during the regular club and also for special events and regattas.

It is important that we have sufficient volunteers afloat to provide effective safety coverage for our Sunday Centreboard Racing. Without the appropriate number of safety boats and crews afloat, racing cannot proceed. It is expected that each boat entering the centreboard series will provide a volunteer on at least two race days.

The club provides formal and informal training for new and existing volunteers to ensure that everyone has the confidence and the skills necessary to safely fulfil their roles and enjoy their time on the water.

For more information about volunteering, contact the Sailing Office via email [sailing@mhyc.com.au](mailto:sailing@mhyc.com.au) or call 8969 3103.

## POLICY FOR MHYC DINGHY STORAGE

- AS MHYC has limited storage available on site, priority will be given to active boats.
- A Storage Licence Agreement for Dinghies will apply from 1st September to 31st August each year, paid monthly or annually in advance via Direct Debit only (see Automatic Payment Form attached).
- Owners must provide 30 days prior notice prior to termination of agreement.
- Current Third Party Liability Insurance must be maintained for all boats stored at MHYC.
- Preference will be given to active sailing members. Usage will be carefully monitored.
- MHYC may require that inactive boats (sailed less than fortnightly in summer and monthly in winter) be removed by providing 14 days prior notice.
- Boats will be allocated locations by the MHYC Sailing Office and the club reserves the right to re-allocate locations at any time.
- All boats must display the supplied MHYC trolley tags and be kept in their allocated location.
- Boats are to be stored in the designated MHYC spaces and not in the common or shared areas.
- Dinghy road trailers are not permitted except when loading or unloading.
- This is a multi-use facility and must be kept clean and common areas clear at all times.
- Each year every Member who uses the storage facility must be prepared to help clean up the facility including attending on a designated day.
- Middle Harbour Yacht Club will not be liable for the security or damage to any stored boats and equipment. All equipment in storage is the sole responsibility of its owner.
