Twilight Series Start Line

In accordance with NOR 16.3 the Pump Station start line will be used for all 2017-2018 Twilight Series races.

The Pump Station start line is a transit formed between the north facing walls of the two (2) grey Pump Station Buildings to the southern end of MHYC Clubhouse, one located at Clontarf Beach and the other located on Parriwi Head. The transit bears approximately 065°/245° magnetic.
