

# COVID-19 UPDATE

Friday 17 July 2020

As a result of the rising case numbers on COVID-19 in NSW, NSW Health has advised that sport and recreation organisations are required to *“Take all reasonable steps to minimise the number of spectators attending community sport events.”*

From Friday 17 July 2020:

- Competitors, spectators and officials may not attend the Club or participate in activities if they have visited Victoria in the past 14 days.
- Competitors, spectators and officials may not attend the Club or participate in activities if they have attended any of the reported case locations listed on the NSW Health website in the past 14 days (See <https://www.nsw.gov.au/covid-19>).
- Physical distancing of 1.5m must be kept at all times when not taking part in training or racing.
