INCIDENT AND EMERGENCY MANAGEMENT PLAN

The MHYC Sailing Operations Policy outlines procedures and guidance notes for boats and crew in the event of an incident or emergency. All boats shall have their own Incident Management Plan to deal with minor incidents. For major incidents and emergencies, the following actions should be performed where appropriate:

- **Man Overboard**
Commence man overboard procedure.
Recover the man overboard.
- **Injuries**
Cease racing.
If the injury occurs on another boat, render assistance if required.
Determine nature of injury and render first aid.
Contact emergency services for direction if required and then contact MHYC.
MHYC emergency marina access point is the T-head on Marina Arm B
- **Vessel in Danger**
Instruct all crew to wear personal flotation devices.
If the vessel is in immediate danger contact the emergency services.
Deploy anchor or other safety devices if appropriate.
- **Evacuation of Injured Crew**
Emergency Authority will direct you to an appropriate rendezvous.
This may be at the nearest available wharf in Sydney Harbour.
At MHYC, the T-head on Marina Arm B is the preferred Emergency Access Point.
- **Vessels Requiring Towing**
The MHYC Tenders are not designed, adequately equipped nor staffed to tow boats.
Requests for towing are to be directed to NSW Water Police or Marine Recue NSW or Boat Assist 24.

REPORTING MARINE INCIDENTS

A written report must be forwarded to the MHYC Sailing Office within 24 hours, setting out the particulars regardless of the type of incident.

A written report must be forward to Roads and Maritime within 24 hours setting out the particulars of the incident if one of the following applies:

- The incident has resulted in the death, or injury to, a person
- The incident has result in damage in excess of \$5000 to a vessel or any other property
- Damage or risk to the environment has occurred.

The RMS Incident Report Form is available at:

<https://www.rms.nsw.gov.au/maritime/safety-rules/incidents-emergencies/incident-reporting.html>

The 'Person in Charge' should be aware that the Racing Rules of Sailing (RRS) only apply between vessels that are racing. All other recreational vessels (including sailing vessels when not racing) are governed by the International Regulations for the Prevention of Collision at Sea.

NSW ROADS AND MARITIME BRIEF

1. Be safe!
2. Observe NSW collision regulations and in particular rule 1(b) and rule 2(a)(b) ie:
 - Nothing in these Rules shall exonerate any vessel, or the owner, master or crew thereof, from the consequences of any neglect to comply with these Rules or of the neglect of any precaution which may be required by the ordinary practice of seamen, or by the special circumstances of the case.
 - In complying with these Rules due regard shall be had to all dangers of navigation and collision and to any special circumstances, including the limitations of the vessels involved, which may make a departure from these Rules necessary to avoid immediate danger.
 - What this means is that if you're about to be involved in a collision, having stood on or given way in accordance with the Rule; every party involved is responsible in taking avoiding action to prevent a collision.
3. Local Rules require sail craft to keep out of the way of ferries displaying the orange diamond. When necessary give priority to the Ferry. Pass well clear of the ferry.
4. Be mindful of larger ships' bow flare. When closing any vessel, to prevent being overrun ensure you remain within sight of the officer of the watch on the vessel's bridge. Beware of overhanging bows and other parts of ship that might obstruct this line of sight. This means that your vessel may disappear from sight inside 200-400 m from the bows of very large ships.
5. Shipping Sound Signal Meanings:
 - One short blast - I am altering course to starboard (right)
 - Two short blasts - I am altering course to port (left)
 - Three short blasts - I am operating engines astern (stopping)
 - Five (or more) short blasts - I'm unsure of your intentions and I doubt whether you are taking enough avoiding action to avoid collision.

ADDITIONAL CONDITIONS

6. Attendance at the Annual MHYC Skippers Briefing is mandatory to ensure that all competitors receive a briefing in relation to the requirement to keep clear of ships and ferries.
7. Yachts shall not navigate between moorings while racing.
8. Vessels shall not pass between the bow of any Seagoing Ship and a dedicated PANSW escort vessel.
9. Competing yachts shall maintain a minimum distance of 200m from the bow, and 30m from the sides or stern of any Ferry underway.
10. Yachts navigating in the vicinity of the safe water mark, 350 metres southeast of Bradleys Head, pass to the north of the buoy when proceeding westward, and must pass to the south of the buoy when proceeding eastward, or if that is not practicable participants must maintain a safe distance from other vessels.

SHIP & FERRY ACTIVATED EXCLUSION ZONE

1. All competitors must maintain a minimum distance of 500m from the bow of any ship (*ie. Oil Tanker and Seagoing Cruise Ship*) and/or between the Sydney Port escort vessel, 200m from the bow of any ferry (*ie. other seagoing commercial vessels such as the James Craig or a ferry operating in accordance with an approved timetable*) and no less than 30m from the sides/stern of any ship or ferry underway.

- 16.3 The RC or Sailing Manager may at its discretion vary the SIs to nominate a Clubhouse start line or Pump Station start line.
- 16.4 The Clubhouse Pre-Start area is defined as the area between the start line and the extension of the D-Arm outer walkway (northern marina arm).
- 16.5 When the Clubhouse Start Line is in operation, no boat shall enter the Pre-Start Area before her Preparatory Signal unless transiting the area under motor.
- 16.6 Any boat observed to breach NOR 16.5 shall be awarded a 45% scoring penalty. This amends RRS 63.1.

17 CLUBHOUSE FINISH

- 17.1 The Clubhouse Finish Line is a transit formed by aligning two orange triangles located adjacent to the MHYC Race Official's Box. The transit bears approximately 065°/245° magnetic and is illuminated after dark.
- 17.2 When finishing boats are requested to centre their mainsail in order to assist in the identification of competitors. Boats that cannot be identified will be scored 'DNF'. This amends RRS 63.1.
- 17.3 After finishing and before lowering her sails a boat shall proceed immediately to the north of the transit formed by two MHYC labelled flags on D-Arm (northern end) of the marina. When returning to a berth or mooring a boat shall not cross to the south of this transit unless under motor and with her sails stowed and any boat observed to breach this shall be awarded a 45% scoring penalty (ENP). This amends RRS 63.1.
- 17.4 Boats are reminded of their obligation under RRS 24 and in particular once finishing, to keep clear of boats that are still racing. A boat that is observed to interfere with a boat still racing or with the operation of the Clubhouse Finish Line may be disqualified. This amends RRS 63.1.

18 ON WATER START

- 18.1 Boats intending to race shall report to the Committee Vessel (CV) prior to their Warning signal, on starboard tack, with mainsail hoisted, to confirm their intention to race. Boats that cannot be identified may be scored 'DNC'.
- 18.2 An inner distance mark may be located near the CV and boats shall leave this mark on the same hand as the CV when starting. Between the preparatory signal and the starting signal no boat shall pass between the distance mark and the CV.

- 18.3 The Race Committee may position a vessel or vessels, flying the MHYC burgee, on the start line extensions at the port and/or starboard end for the purpose of identifying boats OCS at the start.
- 18.4 Following a General Recall the RC may change the order of divisional starts. This amends RRS 29.2.
- 18.5 Prior to her Preparatory Signal, a boat shall keep clear of the starting line and all boats about to start or which have started. Attention is drawn to RRS 23.
- 18.6 Unless otherwise specified in the Sailing Instructions, a boat shall not start later than 5 minutes after her starting signal. A boat doing so will be scored Did Not Start (DNS) without a hearing. This amends RRS 63.1 and A5.

19 ON WATER FINISH

- 19.1 The finish line will be as described in the Sailing Instructions.
- 19.2 Boats shall not pass through the finish line, when the CV is on station, except when finishing.

20 RETIREMENT

- 20.1 If a boat retires from a race before finishing, the nominated Person in Charge shall be responsible for notifying the Race Committee via the designated Race Control VHF Channel or the Sailing Office at MHYC via VHF Channel 73 or telephone 9969 1244.
- 20.2 A boat which does not advise of its retirement within 60 minutes of retiring may be scored points equal to DNC. This amends RRS 63.1.

21 HANDICAPS

- 21.1 For races other than Pursuit Handicap races, boats will be assigned an arbitrary handicap being a Time Correction Factor (TCF). A boat's elapsed time shall be multiplied by its TCF to obtain its corrected time for the race. A boat's corrected time shall be used to determine its place and after imposition of percentage penalties, if any, the boat with the lowest place shall be the winner. In determining an arbitrary handicap for a boat in its initial race or its first race in a new pointscore series, the RC may seek the assistance of the appropriate Divisional Representative or outside parties.
- 21.2 The RC shall document and use a consistent method to determine the handicapping during a series. The selection of the reference boat(s) and the maximum shift in TCF's shall remain constant for the series.
- 21.3 The RC may at its absolute discretion review any boat's arbitrary handicap where they are of the opinion that due to anomaly, error or circumstance, the handicap is deemed unfair or unreasonable.
- 21.4 A boat may not seek redress in respect of the assignment of handicaps. This amends RRS 62.1(a).

22 PURSUIT HANDICAP RACES

- 22.1 For Pursuit Handicap races, the following applies unless otherwise stated in the SIs for the event.
- 22.2 The RC or its nominee will allocate a Start Number in whole minutes to a boat, this number will be a count up number as described in the relevant SIs.
- 22.3 For Pursuit (Count Up Start) Races, a boat's Start Number is the time in minutes at which her allocated starting time appears in view on the start clock.
- 22.4 A boat is racing from her Preparatory Signal which is 4 minutes before her allocated Start Number.
- 22.5 A boat not racing shall stay well clear of the Start Line. Attention is drawn to RRS 24.
- 22.6 Boats are advised that the RC may not record a boat that starts more than 5 minutes after her Start number as starting. This amends RRS 63.1.
- 22.7 There will be no recalls. A boat recorded as OCS will be penalised 5 minutes plus the difference between her nominated start time and actual start time. This amends RRS 29.1.

22.8 Boats will be scored in the order of crossing the finishing line, including any penalties incurred under NOR 22.6 & 22.7 and NOR 16 & 17 (if applicable).

22.9 The RC may, at its absolute discretion and at any time, review any boat's arbitrary handicap where it is of the opinion that due to anomaly, error or circumstance, the handicap is deemed unfair or unreasonable.

23 RACE RESULTS AND SERIES SCORES

23.1 Race results may be posted on the Official Notice Board and the MHYC website.

24 PROTESTS AND REQUESTS FOR REDRESS

24.1 Protest forms are available at the Sailing Office. Protests and requests for redress or reopening shall be delivered there within the appropriate time limit.

24.2 The protest time limit is 90 minutes after the last boat has finished the last race of the day or the race committee signals no more racing today, whichever is later.

24.3 Notices will inform competitors of hearings in which they are parties or named as witnesses.

24.4 Notices of protests by the race committee, technical committee or protest committee will be posted to inform boats under RRS 61.1(b).

25 SCORING AND AVERAGE POINTS

25.1 Scoring will be as specified in the SIs for each event.

25.2 A boat which misses a race of any MHYC Series in which she is an entrant through competing in a State or National Championship or in any other Major Regatta or Series as endorsed by the MHYC Sailing Committee, shall be entitled to redress being average points.

25.3 Requests for average points shall be lodged in writing within 7 days of the event and accompanied by a copy of the result sheet of the event and shall be limited to two (2) requests per series. There is no limit to the number of requests for average points for boats competing in the CYCA Short Ocean Pointscore Series (SOPS).

25.4 Points may be awarded at the next Sailing Committee meeting and shall be the average of points over the entire series in which the average points are awarded.

25.5 The calculation of average points will not include races where a redress of average points has already been awarded. The next point score race will be used. Average points will be rounded to one decimal place.

26 RUBBISH

26.1 Competitors shall not dispose trash into the water. Refer to RRS 55.

27 COMPETITOR'S RACE MANAGEMENT SCHEME

27.1 Each Boat competing in a Spring, Summer, Annual, Wednesday or Twilight Series is required to provide a minimum of two crew per annum to assist the MHYC Race Management Team.

27.2 Boats are invited to contact the Sailing Office early in the season with their preferred dates and a roster will be produced by the sailing office and issued to all competing boats.

27.3 Skippers are to advise the Sailing Office no later than two days prior to the event of their crew's name. They need to be ready to depart the marina two hours before the scheduled start time and will normally return by 1630 (although this can vary depending on the conditions). They should be adequately prepared for a day on the water. A light lunch and drinks will be provided.

27.4 A boat that is unable to compete in a scheduled Pointscore Race due to a crew member assisting with Race Management duties under the Race Management Scheme NOR 28 shall be entitled to apply to the Sailing Committee for average points. The application shall be lodged no later than two days prior to the event and supported by the boat's Divisional Representative. If awarded, average points shall be for the whole series in which she is an entrant.

- 27.5 A boat that fails to provide a member of their regular crew capable of performing the tasks expected or failure of the crew to arrive in time or adequately prepared is a breach of NOR 27.1 and shall result in the boat being issued a 45% scoring penalty in that day's race or the next race in which the boat competes. This amends RRS 63.1.
- 28 MEDIA RIGHTS**
- 28.1 By participating in an MHYC event, competitors automatically grant to the Club and its sponsors, the right in perpetuity to make, use and show, from time to time at their discretion, any still or motion pictures and live, taped or filmed television and other reproductions of the competitor during the period of the event without compensation.
- 29 DISCLAIMER OF LIABILITY**
- 29.1 Competitors participate in MHYC events entirely at their own risk. See RRS 4, Decision to Race. The Organising Authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the event. Attention is drawn to Fundamental Rule 4 which states: **"The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."**
- 29.2 By participating in a race under this Notice of Race, each member of the crew of a boat in such races agrees to be governed by the rules and to accept any penalties assessed there under or any other action as may be taken there under, subject to the appeal and review procedures as provided in the RRS as a final determination of any matter and agrees not to resort to a court or tribunal not provided herein with respect to such determination.
- 29.3 Competitors agree that if the owner/charterer or any person on the owner's/charterer's behalf requests the Race Committee or any officer, employee or volunteer of MHYC to arrange for special assistance because the boat has become disabled, or for any other reason, then the owner/charterer indemnifies MHYC and its officers, employees and agents in respect of the any liability, cost or expense which may thereby be incurred.

SAILING INSTRUCTIONS

SPECIAL NOTICE TO COMPETITORS

The MHYC Sailing Committee requests Members' co-operation in ensuring that MHYC boats diligently observe the applicable Navigation Legislation, the Club's Notice of Race and these Sailing Instructions during Twilight racing. In particular the Person in Charge must ensure that a proper lookout is maintained throughout the event and that the conduct of their boat in relation to ferries and commercial shipping and particularly in the enclosed water of Lower Middle Harbour is consistent with the exemplary standards expected by the Club.

The Notice of Race and Sailing Instructions will be applied diligently during the Twilight Series and the Sailing Committee may deploy an on water observer to monitor the behaviour of boats. Boats breaching these will be penalised as appropriate and repeat offenders may have action taken against them by the Sailing Committee. Members are reminded of the Club's right to reject an entry or take action under the Racing Rules of Sailing in the event of gross misconduct or poor sportsmanship.

Competitors are reminded that the waters between the southern end of Clontarf Beach and Spit Bridge are designated as a navigation channel and that boats (racing and packing up) are to comply with their obligations under Collision Regulations towards non-racing vessels using the channel. It is recommended that as a boat approaches the finish line, a crew member be sent to the bow as lookout.

MHYC MAJOR REGATTAS

In addition to its busy club racing program and regularly hosting class championships and regattas, Middle Harbour Yacht Club hosts a number of regattas which are integral to the fabric of sailing in Sydney.

Celebrating its 41st year in 2019, the **Sydney Short Ocean Racing Championships** continue to meet the constant evolution of yacht racing. Always an innovative event, the Regatta has played a significant role in the transition from the IOR to IMS and then to the IRC rating rules used to handicap ocean racing. It has also been the major local regatta of the year for one-design classes. For many yacht owners and their crews, this two day regatta sailed over tight courses off Sydney's Heads is vital to their preparations for the Rolex Sydney Hobart Yacht Race.

The **Sydney Harbour Regatta**, now in its fifteenth year, is the largest keelboat regatta in Sydney. Originally established as the lead event for Sydney Harbour Week, to celebrate our harbour's diversity, the Sydney Harbour Regatta has rightly earned its reputation as Sydney's 'Sailing Spectacular', providing a perfect opportunity to display to spectators the thrill and excitement that our sport offers with racing inshore and offshore on up to eight course areas.

In the **MHYC Women's Regatta**, Open Keelboat divisions are contested by yachts with all female crews and mixed crews with a female helm, while One Design divisions sail with mixed crews and a female helm. Two short windward-leeward races are followed by a passage race and a relaxed presentation ceremony at the club.

Perpetual Trophies - MHYC have a wealth of perpetual trophies awarded each year for success in a variety of races and series, the key ones being:

Gillawa Shield presented by the late A. J. Wildman for the winner of the Offshore Championship on IRC.

Gillawa Plate presented to the winner of the Annual Pointscore on Performance Handicap in the Gillawa Shield Pointscore.

The Nigel Holman Memorial Trophy This Trophy was struck by the many MHYC members and friends of the late Nigel Holman, who sadly died after a long illness in November 2007.

Nigel was a member of Middle Harbour Yacht Club for over 23 years and was a keen offshore yachtsman. His various yachts, all but one named "Cuckoos Nest" carried the sail number MYC2 this reflected his membership at Manly Yacht Club, adjacent to his home in Manly. A regular and successful entrant in the major East Coast Offshore Races, Nigel was also an enthusiastic club and twilight sailor. Nigel's yacht "Cuckoos Nest" won the Cruising Yacht Club of Australia's Tattersall's Cup for Overall Winner on Corrected Time in the 49th Sydney to Hobart Yacht Race. It is in this spirit, that this Trophy is to be presented annually to the best placed yacht representing MHYC in the Tattersall's Cup in the annual Cruising Yacht Club of Australia, Sydney to Hobart Yacht Race.

Ocean Pointscore Trophy presented in 2009 by Pauline and Andrew Dally for annual competition in the Ocean Pointscore Series. Awarded to the winning boat in the Performance Handicap Series.

The Premiers Cup presented annually to the winning yacht in the Club's IRC Inshore Annual Pointscore. The trophy was first presented in 2000 by the Premier of NSW for competition in the IRC & IMS Classes for the MHYC Coffs Coast Sail Week. In 2001 the trophy lapsed and was rededicated by the Flag Officers for the Clubs new and growing Inshore IRC Division.

The John Eyles Trophy - This Trophy was originally won by the yacht "Fujitsu Dealers" John Eyles, as First Place in IMS Division III in the 1990 Sydney to Hobart Yacht Race. John was a long time MHYC Member and campaigned the yacht from MHYC. In 2007 John granted the Trophy to MHYC as a token of appreciation. The Club dedicated the Trophy to the Winning Yacht in the Open Division PHS Annual Pointscore.

The Asiatic Trust Trophy - This Trophy was originally awarded by the Asiatic Trust Company Ltd for annual competition in the Sydney to Vanuatu Yacht Race in the I.O.R. Division. The Trophy was first won in 1984 by Spirit of Vanuatu and again in 1986 by Ruff 'N Tumble, MHYC. The Vanuatu Race lapsed and the Trophy was held in Trust for many years by Middle Harbour Yacht Club on behalf of Lindsay Rose, owner of Ruff 'N Tumble, who, in conjunction with John Walsh had restored the Trophy after it was damaged in the Cyclone that ravaged Vanuatu in 1986. In 2006 Lindsay Rose granted the Trophy in Perpetuity to MHYC to be awarded for Annual Competition in the Adams 10 Class PHS Annual Pointscore.

The Ben Nossiter Perpetual Trophy - This trophy was originally presented to MHYC by the Police Association in recognition of the enduring relationship between the Adams 10 fleet and the Police Games. The trophy, which is the original butt from the starter's shotgun used by MHYC until the use of guns was outlawed, has now been re-dedicated to Ben Nossiter, in recognition of his long career and outstanding achievements at MHYC in his Adams 10, Sirius. The trophy will be awarded to the Adams 10 which has the best PHS result for all the sprint races in the Annual Pointscore.

Heaven Can Wait Trophy - Presented annually to the winning yacht in the Clubs No 1 Inshore Division, Annual Pointscore, on Performance Handicap. The Trophy was first presented to MHYC by Warren Johns in 1993 for Competition in the MHYC Sydney to Southport Race. The Trophy lapsed in 1995. In 2004 the Flag Officers rededicated the Trophy for the Clubs No 1 Inshore Division.
