# **Extension of Safety Audit Validity**

Current safety audits expire on the 30th June 2020. In light of the current COVID-19 restrictions and precautions, Australian Sailing has permitted clubs the discretion to extend the current audits for Categories 3-7 until 30th September 2020. MHYC will therefore recognise 2019-2020 safety audits until 30th September.

It is proposed that “Get Checked” days will be scheduled in August and September to enable boats to complete an audit before October 1. Further details will be available once restrictions have been further eased.
