Further Extension of Safety Audit Validity

2020-2021 safety audits expire on the 30th June 2021 but validity at MHYC has been extended until 31st August 2021.

Due the recently updated NSW Public Health Orders, MHYC will now recognise 2020-2021 audits for Categories 4-7 until 30th September 2021 provided yachts maintain compliance with the Australian Sailing Special Regulations.

The next "Get Checked" day has been re-scheduled to Sunday 19th September 2021. To book in for the "Get Checked" day or arrange audits on other dates, please email sailing@mhyc.com.au.
