**2020-11-12-2**

## **Inshore PHS Series Average Points for competitors in CYCA SOPS**

Boats competing in CYCA Short Ocean Pointscore (SOPS) races conducted on the same day MHYC Inshore PHS Annual Pointscore races will automatically have average points awarded for the MHYC Inshore PHS race. Boats competing in CYCA SOPS races only are not required to lodge a request for average points. This amends the MHYC Season 2020-2021 Notice of Race article 25.3.
