ORC RATINGS FOR INSHORE SERIES

The following ORC Ratings will be applied for the 2021-2022 MHYC Inshore Series:

- For the Inshore Sprints Pointscore – Single Number Time on Time
Windward/Leeward
- For the Inshore Series Spring, Summer and Annual Pointscores – Single Number
Time on Time All Purpose

The Inshore Sprints is scored as a standalone series, so the ToT Windward/Leeward is the most suitable rating option. The Inshore Series Spring, Summer and Annual Pointscores incorporates both passage courses and windward-leeward races (Inshore Sprints), so the ToT All Purpose is the most suitable rating option for these series.

EXAMPLE

Single Number Scoring Options		
Course	Time On Distance	Time On Time
Windward / Leeward	642.6	0.9337
All purpose	525.1	1.1425

Competitors should be aware there will be different ORC Ratings applied for the same sprint race where it is scored in two or more series.
