Thursday Twilight Race Fleets from other clubs

Competitors in the MHYC Thursday Twilight Non-Spinnaker Series are reminded that other clubs are also conducting racing on Thursdays and may be using the same Australian Sailing Fixed Marks as the MHYC courses.

Other clubs that currently conduct Thursday Twilight Sailing in the outer harbour include:

- Royal Sydney Yacht Squadron
- Multihull Cruising Yacht Club (who use the Beashel Buoy and Grotto Point AS Marks)
- North Harbour Sailing Club (who use the transit of AS Manly West and AS Manly West as their start and finish line)

The Racing Rules of Sailing Part 2 Introduction states in part…
When a boat sailing under these rules meets a vessel that is not, she shall comply with the International Regulations for Preventing Collisions at Sea (IRPCAS) or government right-of way rules.

If there is any confusion about whether another boat is racing or not, competitors should navigate in accordance with the International Regulations for Preventing Collisions at Sea (IRPCAS/COLREGS).
